Dear Customer,

Terminal Handling Charge – Apia

Please note that we will revise Apia terminal handling charge against all cargo discharged and loaded in Apia as follows:

Containerised cargo: WST 65/20' & WST 130/40'

Breakbulk cargo: WST 3.00/RT

These charges will be applicable as of Kyowa Cattleya V.80N in December 2008.

We would like to reiterate that this Terminal Handling Charge is purely a cost recovery item.

Should you require any clarification on these charges, please contact your NGPL agent, Betham Brothers Enterprises Ltd.
