

26th May 2010

**Carrier Security Charge**

NGPL has reviewed its costs for security measurements. To be able to partially recover the rising costs we will implement Security Fee for all trades with effect from end June 2010 as follows:

US\$10 per container

US\$0.55 per revenue tonne for LCL and breakbulk

The first effective vessels are as follows:

Tasman Provider V.1019S

Tropical Islander V.09

For further information please contact our local agents.
